Dear Glenn:

I would like to thank you very much for speaking at Smart Marketing's annual meeting. Of all the speakers I've used for motivational presentations with clients, you were by far the most captivating! I'm so glad we had you close our meeting.

The way you delivered your life story was so compelling I noticed some of the people sitting on the edge of their seats. But how you combined the adversity you experienced with your successes showed each and every person, there is no reason not to succeed!

The motivation, inspiration and enthusiasm you brought out in your message I'm sure will move my associates to even greater heights.

Lastly, I would like you to know that of all the speakers we've had over the years, you are the only one to receive a standing ovation!

Congratulations on an outstanding job!

I look forward to having you return next year. I'll give you plenty of advance notice for the date.

Yours,

Steve Meyer
